

THE DOME

PLANETARIUM

Our completely unique Dome has undergone an adventurous transformation which makes each presentation and unforgettable experience. Your company is just a call away from arranging a meeting, a conference or perhaps streaming a product launch globally from Northern Europe's largest dome.

The Dome has specially designed custom-made leather seating, exposed concrete and acoustics in solid walnut wood. Our new 8K audio system and projectors are second to none, making any presentation a unique experience. You have the opportunity to design video material and PowerPoints on an area of up to 300 m².

Capacity

278 seats in ascending rows – 4 wheelchair places in the rear of the theater.

Equipment available in The Dome

Northern Europe's largest dome projecting screen, PC connection, 8K resolution, wireless microphones
Technical assistance for streaming and online meetings can be arranged
