

## On your special day, let the universe revolve around you!

Say "I Do" under a glittering canopy of stars in the Planetarium Copenhagen. The Planetarium is a spectacular and untraditional place to get married and where you can host an "out of this world" reception or cocktail party.

The ceremony can be held in The Dome followed by a reception in our exhibition area Made in Space where we offer a selection of different light settings to create the perfect atmosphere. Start the party with a Big Bang and then enjoy your dinner with music playing and a backdrop of stars and galaxies.

### Price

Wedding ceremony under the stars in The Dome from DKK 8.000 (please arrange your own registrar)

If you would like to host a reception after the ceremony, we can offer a mingling reception from 50 – 600 guests or a more formal gala dinner for up to 100 seated guests. If you choose to host your party at the Planetarium, then the rental price for the ceremony in The Dome is our wedding present to you.

For more information and options about our "out of this world" wedding please contact
